

Ballparks National Baseball Rules 2021

BPN adheres to the MLB rulebook with the following exceptions (and discounting the current commissioner's recent changes).

In pool play the home team is determined by coin flip prior to each pool game at the home plate umpire ground rules meeting. Umpires conduct the coin flip process.

During bracket play, the higher seeded team will be the home team in all games.

There will be no championship game time limits IF there is no scheduled game to follow on that field. All run rule and extra innings rules will apply. The tournament director reserves the right to re-establish a time limit for reasons including but, not limited to weather concerns and late night play.

Pitchers must be removed after second coaches mound visit in the same inning to the same pitcher.

Game balls are issued to umpires prior to game play. Teams should be prepared to present additional balls when needed and aid in recovering foul balls and home run balls.

Scores should be reported to the umpires after every half inning. The scorecard kept by the umpires is official and will be signed by the head coaches at the conclusion of the game. Once signed the scorecard is official. If a coach declines to sign or leaves the field without signing, that scorecard will be official.

The Home team maintains the official scorebook. Any score discrepancy must be settled before the scorecards are signed.

LINEUP OPTIONS

1. You may bat the roster and have free defensive substitutions.
2. You may bat 9 with or without substitutions.
3. You may bat 10 with free defensive substitutions and with or without batting lineup substitutions.

Starting players in options 2 and 3 may re-enter one time in their original batting position. Substitutes removed from a game are ineligible to return. All substitutions must be reported to the home plate umpire and both scorekeepers.

If a player cannot make his turn at bat due to injury or sickness and there is no substitution available, that at bat is recorded as an out. This rule may be waived if agreed upon by both coaches and the umpires.

A team may start the game with 7 or 8 players. However if playing with 7 players, spots 8 and 9 in the order will be recorded as outs. If playing with 8 players, spot 9 in the order will be recorded as an out.

You may use a courtesy runner at any time for the pitcher and catcher. The courtesy runner must be the last batted out or a sub if available. A given courtesy runner can only run once per inning. If playing with 8 players the 9 spot will be recorded as an out.

POOL PLAY PROCEDURES

Pool play can be on a time limit as determined by BPN. On traditional time limit games, the inning in which time expires may continue to its conclusion if necessary.

Pool play with Hard Time limits end at the end of the allotted time and the score stands as is. If tied the tie goes into the pool play as a tie. If elimination games are ties after time expires, each team will start their half inning with a runner at second base (last batted out of the previous inning) and the game will play until a winner is declared.

For seeding purposes standings tie breakers are as follows:

1. Head-to-head play
2. Total runs allowed. If there are an uneven number of games played by teams in a given pool, average defensive runs allowed will be used.
3. Run differential.
4. Average runs allowed (per inning played)
5. Runs scored. Or average runs scored if needed.
6. Coin flip

Forfeits are recorded as 6-0. A team that forfeits is ineligible for bracket play.

The field umpire and/or the Umpire in Chief (UIC) may declare a forfeit for reasons including but not limited to: failure to appear/on time, refusal to play, intentionally delaying game, leaving the field when required on a timely basis and violating game/facility policy.

All coaches, managers, players, umpires and fans are to conduct themselves with proper sportsmanship at all times. Failure to do so may result in ejection and/or removal from BPN. Umpires are not required to give a warning prior to an ejection. This includes but is not limited to: fighting, unsportsmanlike conduct, obscene language, threatening behavior, throwing equipment, a coach or fan appearing to be under the influence of any substance that puts someone at risk or any other hostile act.

Coaches are ultimately responsible for the behavior of their players, staff and fans.

BPN facility rules must be followed. Failure to do so may result in ejection and/or forfeiture of game(s).
